FRABAR *Toys*

We are a **family Company** that produces plastic toys **since 1948**.

We are running into the 3rd generation, and we are located in Northern Italy in a strategic position, that allows us to deliver in all Europe.

All our products are **100% "Made in Italy"** and our mission is to develop, produce and certificate all of them, following the European Directive.

**We are specialized in plastic toys Outdoor and Summer.**

From 2019 we opened a new production site in Castelletto Sopra Ticino (NO) for production of foam items in poliurethan. Now we are one of the main producers in Europe for Foam balls, for sport and Toys.

Our Team is always available to study, develop and produce new items, in partnership with our Customers.

We will be glad to receive all Your requests, and it will be our pleasure to meet all Your needs.

# Toys

A collection of medieval-style toys is displayed on a wooden table covered with a purple cloth. The items include three helmets: one silver with gold horns, one blue with gold horns, and one gold with a crest. There are two swords with gold hilts and silver blades, a dagger with a gold hilt and silver blade, and two circular shields. One shield is silver with a central emblem, and the other is gold with a central emblem. A black box is also visible on the table. The background shows a stone wall and a wooden chair.
